“ *I'll never forget our MANY trips we took around the block, while I pushed you around in your wheelchair we would have some of the funniest conversations and some very serious! I could tell you anything and you were still there for me no matter what!! I'll miss those walks and talks, sitting at the table doing word search books and hearing you tell me "when you get home you better be good or I'll wheel myself all the way to Ms. And bust your a\$\$ lol..but the thing I'll miss the most is hearing you tell me you love me!! I don't know what to do without you! You were the greatest woman I could have ever known! Oh love you so much mawmaw.. always and forever!!! 💜💜💜💜💜💜 Love Always, Kira*
