“ Jeffrey... one of a kind for sure! There is no other like him. He was funny for sure, always kept me laughing, especially at times when i was down. And boy he was sharper than a tac, our conversations were never dull and always the most intriguing. Most of all he had the biggest heart of anyone I knew .He had a way with people, mainly because he genuinely cared about others. He had a way of making you feel like the most important person in the world when he was around you, and you could never doubt for a second that Jeffrey wouldnt do anything for you that he possibly could. I met him at a pivotal point in my life, and the way he treated me changed me and my life forever...for the better. Jeffrey made a huge impact on myself and my life in the short time i knew him, and for this he can never be forgotten. His life may have been too short on this earth but the impact he made on me and others will last a lifetime. I love him with all my heart and look forward to the day we will meet again.

“ *Jeff was one of my best friends back in high school. We had great  
times and managed to stay out of trouble, for the most part. I lost  
touch with him over the years, but I thought of him often. Such great  
memories. He was one of a kind. My heart goes out Mr. Don, Mrs.  
Roxanne and all his family.*

“ Have videos of Jeff at Aunt Kitty's pretending to be her pre-Amanda & Alexis. He was running around w/ a stuff bra & boxers...he loved teasing everyone. Such a sweet guy. I pray he has found peace and for the family to keep all the great memories alive. God Bless you, D & Rox and his precious babies, where Jeff will live on in them.
