“ I have many memories of Jeff. Many years ago Ed the kids and I went to Ohio to a football game on the way home our van broke down and Jeff came up to help us out. When the kids and I would go fishing with him he was baiting our hooks more than he got to fish. When Ed and I would take him to the truck stop and we shared a video poker machine. He always enjoyed our company. We love you miss you Jeff. Nita
