“ Well my precious baby girl our Bryce is all grown up and will be leaving for Southeastern in June. I can't believe time has flown by so quickly. This year will be six years since you flew to heaven and felt no more pain. I watched you suffer and so wanted to take your place.

We are going to Sissy's Paradise at Eastpoint for Mother's Day and my only wish is that you and Nell could be with me. Jerry and Lindsi have done such a fantastic job with the kids and I know you are watching over them. I love and miss you so much.

“ Hey baby. I just have to tell you what a fine young man Bryce has become. He has his love, Katie and she is so special. He will be a senior next year and going off to college.

Can't believe our precious baby boy is grown. Please watch over him, Brynn, Katie, Olivia, Grady, Kathleen, Kolbie and your namesake Karlee Marie. Also take care of Jerry, Lindsi, Brandon, Alyssa, Kasey, Kevin and of course your Dad and Kathy. We all miss you so much.

Well baby today is the day after Bryce's last football game and John Curtis. They were cheated out of their win but Bryce is a wonderful young man. You would be so proud of him and his accomplishments. He wants to go into medical field and I hope he does. I watched Bryce, Jerry and Brandon cry broken hearted and of course all the other players and families. He will be gone before I know it and I only hope he stays close to home. I wish you were her to see your little nieces and one lonley little nephew. They are something else. Our brynnie is turning into a beautiful young lady and you would be proud of your Godchild. Sissy I miss you so much. All my love to all of you.

“ My heart is really breaking baby girl. I miss you and Nell so much. Not one day goes by that I don't think of you and your sister. If you would only send me a sign so that I know you are near me. Your baby girl will be 15 in a week and she has turned into a beautiful young lady. You would be so proud. I guess you know that Kasey gave her last baby girl yours and Nell middle name. Karlee Marie. I love you so much and only hope we will see each other some day.

My dearest baby girl, my heart is so broken. I feel like there is nothing left to feel. I know you are with Nell but you were supposed to stay here to take care of me. They say God doesnt give you more than you can handle but I think he did this time. Not so sure I can handle this one. I love and miss you and yoir sister so very much.

“ MS. Jenine, my heart is truly hurting. You brought me so much angst, love, and laughter at Charity SICA that those memories will forever be a major part of my life. You made me laugh every day and you will always be a big part of the best years of my nursing life. And that was my years at Charity. I love you with all my heart and pray for your peaceful rest and glory in heaven. Your friend always and forever, Vicki Hirsch

“ To the Godfrey family, my deepest sympathies on the loss of your dearest Jeanine. I recall when I first met Jenine and the times we spent in each other’s company. Like most, I remember her infectious sense of humor. However, I also recall an uncanny ability to cut through the noise and analyze a situation. I admired her ability to do that. Jenine was an influential sister to Kasey. She always supported Kasey and her teammates. For that, I will forever be grateful. I hope the love of family and friends can help ease the pain you are feeling. I love you Jerry, Kathy, Kasey and Brandon. May Jenine Rest In Peace in the arms of her Savior. Hugs to you all.

to those who are Mourning feel what you're feeling because the Bible tells us it weeping endures for a night but joy comes in the morning. the Bible also tells her set a good name is better than precious ointment and the day of one's death is better than the day of one's birth that is found in the Book of Ecclesiastes. Stay strong in the Lord!
