“ *I will always remember Jerry as my best friend when we were kids. We were always outside playing sports, whatever was in season, football, basketball, and baseball. He would usually beat me, he was a very good athlete back then.*

We always looked forward to spending the night at each others house, playing video games, chess, and listening to Zebra, Motley Crue, and Ozzie Osborne albums. We had a very fun and carefree childhood together and I am sad to know that he is no longer with us, but know he is in a much better place. RIP my friend.

“ *In my minds eye I keep seeing Jerry as the cute little 8 year old he was when I first met him on his front lawn. The Westgate neighborhood was always full of kids running around; and God bless Mrs Betty, she endured all us teenagers making ourselves at home with the Dales. Jerry, Lenny and all the other Dales with their easy welcoming demeanor became like family. In my heart he'll always be the little cutie with the sweet, shy smile that was always polite and unimposing. God bless, and have mercy until we meet again.*
