“ *Ms. Jewel ! She was always so sweet and upbeat, always willing to come to our exercise group. Even when she wasn't feeling great, she always brightened our mornings in the gym with her kindness.*

“ *Jewel and I went back a long way to when I was just a child and she was across the street from me . We played together quite often and she was always so sweet and funny! Her Aunt Mrs. Braud was a close friend of my Mother and they went to Canal St. all the time so I got to see Jewel often. When Cleo and I started dating I introduced them to each other. She was such a great person always thinking and trying to help others. She was definitely an angel from Heaven. Jewel you are truly missed and we know one day we will see you again. Rest in peace our friend. Thanks for the memories!!*

“ My friend, through a friend. Although we never met we were very close. We shared and talked about our happiness and our hardships in our lives. We understood each other’s sorrows and joy. It means a lot when someone says, ” I know what your going through because I have been there”. We also shared our love for animals and religion. I’ll miss you Jewel. I know you are in a better place. “ What can I possibly say about this precious ANGEL, with a golden heart from Heaven, that hasn’t already been said. Although we first met in 1966 at Warren Easton, we shared lots of fun in the band together with many other members, her beautiful personality shined, even then. I can only describe her as a younger sister, a SUPER sweetheart, a patriot, a loyalist, a fighter (in recent years), a surrogate girlfriend, a dedicated friend to all that knew her. I miss her everyday and talk to her, every night! Rest well sweet Angel, you’ve carried your cross over the finish line; time to relax.

A friend like Jewel you only find once in a lifetime if you are lucky. I hit the jackpot. Through good and bad we were there for each other. She loved her high schools days and we celebrated to the fullest, riding around in my '57 Chevy. I hope I make it to heaven because I know my best friend is waiting for me there. Jewel you are one in a million and I hit the friends lottery having you In my life.

“ *A huge THANK YOU to Jeff Zapata for taking such great care of Jewel during her last couple of years. He was instrumental in getting her back home from San Antonio.
Such a true friend who visited her almost everyday in the home;
bringing her food that she loved and keeping her company.
Jewel was a lovely lady and will be missed.*
