“ *We had so many happy times together. She always had a smile and gave me much love. I remember the ,times after Katrina: when she was in a trailer and it caught on fire. She gave me a pair of slippers which I loved for five years until they got destroyed with the flood in August. My prayers go out to her friends and family. I wished I could have visited more. She is not in any ,ore pain. Love peace to all.*

“ when i met carolyn, which is about 40 yrs. ago, i had the privilege of meeting her family too. i loved them all her mom and dad, her brother Joey (that i loved dearly too), and her wonderful sisters Joann and Cindy. i cant honestly say that i loved one more than the other. The Renz family, Joe, Delores, Carol, Joann, Cindy, and Joey, just very special, loving people that would do anything for anyone. I am so sorry to all of you for losing this awesome lady. Sitting here looking at her sweet face i can hear the sound of her voice and most of all that hardy laugh she had when she was tickled. R.I.P. honey, thanks for being a part of my life, so grateful to have known and loved you.
