“ Boy, we used to drive her crazy until she gave in & took us all to Palmer Park back in the day. That black station wagon - I can still picture the horse tied to the back with his eyes bulging out while we shouted for her to slow down.
She came to my house in Covington & helped me plant MawMaw's daisies.
So many fond memories that I will always cherish. May she rest in peace and I hope the good Lord has ear plugs. 3 of the 4 Robichaux women can get pretty loud up there.
Sincere condolences to the family. Love all yall!
