“ *Hi my name is Gerald and I had worked for johnny as a truck driver early 2000. For a few years or so, I have to say johnny was a great man through and through. He was generous and a very kind hearted man he never let meaningless thing bother him. And he always thought more about others than himself. I wished I had kept in touch with him more after I moved on to different employment that would be my biggest regret. However I am very shocked to hear that he moved on into that big great sky. but I know he's in a better place now. he loved all people and most certainly had god in his heart I wish I was in town to give my final goodbye but I'm out trucking cross country. But I will keep him in my thoughts and He will be truly missed and I give my deepest and most sincere condolences to the family.*

“ *Johnny was a great man of God. He spoke boldly about his Lord and Savior, Jesus Christ. Johnny was also faithful to speak highly of his wife and family as he was so proud of them and thankful for them. He was encouraging to me personally and always had something positive to say. - Dr. Paul Naylor, Pastor, First Baptist Church, LaPlace, LA*

“ Johnny was a great friend, generous with his time & faith & money & everything else to a fault, and best man at my wedding. He helped start and organize the Mario Gras outreach as well as the revivals at St. Charles Correctional, and many other things. Johnny was always there for me and anyone else who needed anything. I will miss my brother in Christ, and he leaves an empty space in my heart. I love and miss you brother. 🥹🙏
