“ John was my 'Brother' in Love for over 50 years. He loved my sister Joyce made her happy and always supported her in what she wanted to do. He loved my children and was an amazing favorite Uncle to them. He was there for us when we lost our oldest as I was for him & Joyce when they lost Johnny. He & Joyce welcomed Bill into our family when we married in 1997 and Bill loved him like a brother. His passing leaves a tremendous void in our lives and he will be loved & missed everyday! I still can't believe he is gone but find comfort in knowing he is reunited with Johnny, his parents, his cousin Betty and also his nephew David. John was a very special person to many and will be missed by us all! I have many great memories of John and will reflect on them when I think of him. Godspeed John and know that we will be here for Joyce until God reunites us all one day. We love you & miss you!

I am so broken hearted to hear this . I met John when Dave Templin wanted me to meet his favorite aunt and uncle . Such a cool man . So laid back and kind . I will never forget the time spent at their house .
