“ *Our deepest condolences to Mrs. Pam and family on the loss of Mr. John. In 10+ years of being neighbors, Mr. John has helped my husband countless times with our yard, our truck repairs, and lending us tools when needed. We are truly so sorry for your loss. We had no idea, and found out while at the funeral home planning services for a family member of our own this morning. We will miss hearing him calling after Lucy, and seeing him on his lawnmower this Spring/Summer. If you need anything, please do not hesitate to grab Erick, or Luke. They will be happy to help with anything that you need. Praying for comfort and peace.*

“ *My condolences on the loss of Mr John to Mrs. Pam, Sue, Jeremy & especially my old buddy Nick. His funny one-liners & the impact he had around myself & all the kids at the playground, St Rita & Rummel will live with us forever. I cannot make the services but you all will be in my thoughts.*

“ We considered John to be one of our true friends! We met John & Pam while we were raising & showing rabbits. We all belonged to the South LA Rabbit Fanciers Club, where we enjoyed commaradery & good competition while sharing education on rabbit raising. Our children also enjoyed these things, as well as, playing and growing up together. Our out of state travels with rabbits were always interesting and fun filled with laughter! John and Wayne and our oldest sons, Jay & Jeff, shared some great hunting trips. John was a very unselfish and giving man, always ready to help a friend in need. He would do everything with a smile and loved a practical joke. We cherish our friendship with him and his family. We will miss him dearly, and will always remember him. God bless you, John, and may you rest in peace! May God bless his family, & help them through this difficult time!
