“ *Cheryl and John, we read about your father in the paper today. He is one year older than us. It is hard to lose a parent. We will pray for you and him. Love you.*

“ *There is no way to pick a favorite memory of Uncle John, I always loved going to visit with him and Aunt Dean, even with the boys.... He taught me to play cards and certainly how to laugh. He also taught me that love comes in many forms, I will miss you so much Uncle John! Enjoy your rest and tell all those relatives that have gone before you that we miss them and will see all of you one day! always in our hearts,*
