“ *John was a member of The Real Survivors Cancer Relay Team after he had Cancer.
(To qualify for this team, you had to be a Cancer Survivor.) John worked hard and raised a significant amount of money for the American Cancer Society (with Anita's help). Even in declining health, John came to the Relay event including coming directly to the event from the Hospital at least one time. This was a cause that John believed in and supported above and beyond expectations. John will be missed by his fellow workers at Union Carbide/Dow and his friends and Team Members from the Relay for Life.

“ We had John & Anita over to our home in Poplarville, not long after we retired. It was a very special visit! We remember John as a godly, humble man with a very, sweet and gentle spirit. He loved His Lord, his wife and his family deeply. How thankful we are that we were gifted with his friendship, and look forward to seeing him again in eternity. So long for now, John!
