“ *Dad I miss you very much! I hope you can forgive me for all my wrong doings? I know you are not in pain any longer and that is what helps me to get through this. There's so much more I need to tell you. Say "Hi" to our family that has past and is with you now. Help Mom through this as much as you can. I Love you more than you can imagine.*

“ *Dear Carol and family,
I read about Johnny's passing in the newspaper. I am so sorry for your loss. After spending so many years with someone, I know life for you will not be the same. It's difficult losing the patriarch of the family - someone who you love so much. Although the memories never go away, may your pain and grief subside with time. Take comfort in the wonderful memories your family has made over the years. My prayers are with you all in this time of sorrow.
