

Jonathan Mikael Coslan

March 23, 1986 - July 26, 2017

Jonathan Mikael Coslan, the only son of John and Sheila Coslan Jr. left this Earth on July 26, 2017. Jonathan was a 2004 John Curtis graduate, a two time Football State Champion and pursued a Business Degree at The University of New Orleans. He was an artist who enjoyed creating timeless art for family, friends, and patrons. Jonathan was an active member and participant in the Italian American Marching Club for 15 years. He obtained self-fulfillment by doing for others. Jonathan's famous quote was "Our Family Our Thing, Coslan" and he lived by this quote each and every day by being a family orientated man. Jonathan had a heart of gold, all that have crossed his path, knew this of him. He was the beloved brother and best friend to Shannon Romano and Samantha Guillory. Jonathan was the soulmate and fiancé to his high school sweetheart, Tiffany Romano. He is carried on by his loving in-laws Frank and Jodi Romano III, brother-in-laws, Angelo Romano and David Guillory. He was an uncle and Godfather, "Paran," to his nieces and nephews; Ethan Heffner, Cameron, Sophia, Nico, Luciana, Cruz, and Scarlett Romano, whom him loved immensely. And, awaiting in Heaven, Baby Romano. First grandson and "Granuta" of Antoinette and the late Johnny Coslan, and the late Milton and Eula Barrilleaux. He was blessed with aunts and uncles who loved him unconditionally: Cynthia and the late John Condon, Lori and Rem Gilmore, Victor and Joy Coslan, Lisa and Eric Davisson, and Kelly Coslan. His cousins: Keith, Michael, and Kalyne Gilmore, Jacey Condon Fairchild, Victoria, Jessica, and Christopher Coslan, and Jason and Robin Hill.

He shared a special bond with each and everyone of them. Also missed by his cousins children whom he love deeply and considered them his own.

"Our Family, Coslan, Our Thing"

"Meet me at the Emerald Piper."

"I'll be watching from, 'The Upper Room'."

“ Always on my mind , I love you forever ❤️

“ You're heavy on my mind . I have more childhood memories of us as kids then I can count .. I wished so badly as adults that we could have been closer as well but nothing replaces those times , that child's imagination .. I grew up with you as my family and when I get to visit it'll be sad I won't be able to see your cheerful face . It's so crazy the last time I saw you was at the Italian parade and I talked mom into going even though she hates parades - she came to see her godson and the parade was almost over and we happened to catch you and you had a hugge rose and said" I knew I was saving this for someone special , Nanny ." I love and miss you Johnathan so much .

“ *I love you my brother. The world is definitely a lesser place without you in it. You and your family did more for me than my own and the bond we had was unbreakable. We had our ups and downs and went through everything imaginable together but when it was all said and done we were still brothers. Our last conversation together before i got locked up replays in my head every night and every morning and i hate myself for not being there for you when you needed me. Until we meet again.. I love ya J. Fly High My Brother*

“ *YESTERDAY made a month that you left this EARTH. My heart is as broken today as it was a month ago. I still cant imagine life without you. It doesn't seem real. I still think you are going to walk through the door. My heart breaks not only for me and pop, but your sisters, Tiff, Ethan, Cameron, Sophia, Nico, Luciana, Cruz & Scarlett. Our lives are better for having you in it. But we dont like the NEW NORMAL! May you Rest In Peace my only son , until I see your loving face again, Mom*

“ My beautiful brother. I wake up with a heavy heart each morning. I know that you are at peace and God knows that's all I've ever prayed for. I feel your presence. I know you're watching over us. It's been 3 weeks and 2 days but it feels like just yesterday. The pain we all feel will never go away but we will continue on, with your legacy and all of the amazing memories we share. Until we meet again in the comforts of Jesus, I love you "big" baby brother. My best friend and confidant. I love you now and always, your "little" older "SIS" 💙

“ There are no words I can say to ease your pain but know that I love you all and am praying God gives you peace. I will remember this sweet boy I have known since he was a small child and think back on the good memories . I will remember that sweet face and mischievous boy, the boy playing hide and seek, Trick or Treating, getting lost at the parade, fireworks on New Years and the clean up the next day with all the kids, dances, Christmas mornings and tormenting all the girls including his sisters, cousins and my girls. Jonathan had a kind heart and sweet soul and I know he will be dearly missed.
