Thank you Maria. My father was the director of coaches. He use to tell me Jorgie your team has talent. I would really want to coach them and we always bumped heads. I tell him no this my team but you can always come and speak to them lol. He loved and knew every single kids names. Not only my team but the whole club. He loved what he did for our youth. He will always be in our hearts for loving and caring each individual child, parents, friends, and family he was around. Thank you again Maria
