“ *We were saddened to learn of Joe's passing. We played football with Joe at Fortier High School. Joe was a talented athlete and a great offensive guard and teammate. We also attended Tulane University with him where we saw each other frequently. These are fond memories of growing up as young men in the 40's and 50's in a simpler time which we will never forget. We extend our sincere prayers, condolences and sympathies to the Bordelon family at this time for their profound loss.*
