“ *Mr. Joe was a very special to me and my family. I was very sad to hear that he had passed away. I found out this afternoon reading the paper. Irene its been many years since you've heard from me and I hope that you can contact me so I can express more of my feelings to you personally. I can only say that he is with Jesus and we can only wish that we can all be together again in heaven one day. Again I am so sorry, your old friend and neighbor Ward S.
