“ *I served with Joe in the Navy in the 70's, he was a great friend. I wish I would have stayed in touch. He was a good cook, too. He will be missed.*

“ *Joe was my watch commander in the middle to late 90's at HPD. He was one of the greats, a real cop's cop. I was deeply saddened to hear of his passing and his mercifully brief battle with cancer. Joe will be missed and remembered. I have no doubt where he is now, or that we'll see each other again. Prayers to all the friends and family left behind. May our all mighty God ease your grief, replacing it with nothing but fond memories of Joe. Peace.*
