“ I have so many great memories with you and was very fortunate to have you in my life. Although it's been a while since I last saw you, I often thought about you. You meant so much to me and I will forever cherish the time that we spent together. I remember the first time we met and exactly what you said to me, at that moment God had placed in my life someone that I will treasure forever. I love you and will forever miss you!

“ Although it has been awhile since I have been able to spend time with Joe Joe, I remember when he was young and running all over Maranatha Baptist (sometimes with peppermints in his mouth) He was always a joyful, sweet boy.. I got to see him shortly not but a few months ago. He started talking about remembering everyone, and everything from those days. I was surprised he remembered so much, he was just a young boy. but he remembered like it was yesterday. It was great to sit and laugh with him. I'm sure up in Heaven with our God, he will keep the Lord in "stitches" with his playful attitude. Prayers are with the family. Rest in Peace Joe Joe

Would that I knew words that could comfort your family Joe. Would that I had taken time to know you better. Would that I had taken the opportunity to extend my hand to you more often than I did. All I can do is trust in GOD, whose infinite mercy endures forever.
