“ *I remember when Linda & Tony were coming to our house in Okeechobee, FL. They were late because they decided to stop & get married! Another time Tony brought a huge RV to FL. & we all piled in & went to Marathon in the keys for 4 or 4 days. We had a ball snorkeling, swimming & just having a good time together. Tony was my brother- in- law as Linda is my late husbands younger sister. He was a funny guy, always joking & keeping everyone laughing.*

I haven't seen him in many years but I'm really sad I'll never get another chance. I'm sure he's happy & healthy in God's presence.
