“ Paw Paw I miss you so much. I love you more than you could ever imagine. You have always been my Hero and will always be!!! I remember always having good times with you. Even silly little things like supper time when you would take my plate and we would fight over the last piece of cantelope. I remember asking you when I was a little girl if I could marry you when I got old enough and you would always smile and say "But Im married to Maw Maw" :) I will always cherish my memories cause it is there and in my heart that you live. And I promise a day will not go by that I won't think of you and miss you. I love you.

“ We knew him as Paw-Paw. Dad to Norma, husband to Maw-Maw and Grandpa to Sarah and Casey. He was always soft spoken and gentle. He loved his family and his presence will be missed. However, his spirit will live on in the legacy he left behind. We love you Maw-Maw, Norma, Sarah and Casey.
