“ *Terri and family. Words cannot express our sincere and heartfelt sorrow. We will never understand on this earth, why such tragic and life altering losses occur. God sometimes has a plan very different from ours, and is difficult to comprehend and accept: this is certainly one of those times. Please know we will be praying that you find comfort. Trust in The Lord , he will guide you.*

“ Terri, I can barely understand the shock, disbelief, and grief you are feeling right now; however, I want you to know your not alone. The news of Troy's passing is still a shock, disbelief, and a sadness shared by many. "Blessed are those who mourn, for they shall be comforted." Matthew 5:4 (words from the mouth of Jesus) God is there reaching out to you. He wants so much to hold you close until the hurting deep inside stops. I pray every day for you, Katie, Karlie, Joey, Jude, and Jace that God's everlasting love and arms of comfort is always near through each and everyone of you silent grief. We love you all Donnie, Nicole, Justin, and Henri

“ Deeply saddened to hear the news about Troy. He worked at Ingersoll Rand for about a year, he was a pleasure to be around and always had a positive attitude. Although I never had the opportunity to personally meet his family, I want his family to know that he was a very proud father and was an honest, upstanding man. I grieve for all of Troy's family and friends, he'll be missed but not forgotten!

“ *Troy will be sorely missed at Tennant Company. His honesty, integrity, skill level and engaging personality was what we had needed for a long time in the area. He quickly gained the respect of his coworkers and our customers and while I knew him less than a year, Troy was a Friend and a Godly man. I pray for Peace that passes understanding for each of you during this time and for years to come and that your hearts are comforted to a measure each of you need.*

“ I used to tell you that you were my favorite bro in law and you would say " I'm your ONLY brother in law" I would laugh and say well that explains it. But what you didn't know was that I always admired you for the father and husband you were, and as for all the advice you gave me over the years (that I never asked for) but you knew I needed, was always considered and more often then not followed. I will miss you, and just so you know if I would have had a dozen you would have still been my favorite, I believe it all started with the (water light) Rest in Peace Troy Love you always, Tommie

“ Dear Troy, we keep saying God had a reason but it doesn't help the pain. It broke our hearts to lose you but you will never be alone because part of us went with you the day God called you home. Thank you for giving us five beautiful grandchildren whom you were so proud of, we know you won't be here in the flesh but you will always be in our hearts. Love Mary, Ronnie & Granny
