“ *I am heartbroken that you are gone. Some the best times I had in my early 20s were with you. Hanging out at your apartment on Ridgelake. Introducing me to all your friends (Red, Skip, Marcus, etc). Showing off your newest addition of mens cologne, the barbeques...and getting ready to go to Kenny's Key West or just chilling playing Mortal Kombat. My most favorite times were when you taught me how to play phase 10 and we would spend hours playing it. Polo shirts, knee length denim shorts, and a chain around your neck and a dousing of your expensive cologne.lol. You, Tiffany, me and Lionel... we had some good times back then. You always kept a positive attitude and did your own thing. You were definitely a character. You wanted to be everybody's friend. That is how I will always remember you. Rest in peace my dear friend. Condolenses to Tiffany and family and friends.*
