“ Dear Felicia,

I was deeply saddened by the news of the loss of Mr. Juan. I am so very sorry and know this must be a very difficult time for you and your family. Please remember that y'all are in my thoughts and my prayers. Mr. Juan was such a kind soul, who will be greatly missed by all who knew him. I will miss his kind and friendly heart. I remember when he reached out 7 years ago when we became neighbors and offered to be an emergency contact for while I was working should an emergency ever come up with Brennan during the school day. Thank goodness no emergency ever transpired but I will be forever grateful knowing he gave me that priceless piece of mind. I will miss knowing that he is not there for me to just randomly call or walk across for a visit. Your door was always open for a friendly visit. My front porch view will never be the same not being able to see him sitting in his rocker on his porch waving back to me. We are so very blessed and grateful that God put you guys in our lives. You two are the true meaning of "good people". I love you both dearly.

*Forever in my heart,
