“ *Gabe,  
Luke and I were so sorry to hear that your mom had passed.  
Although we did not have the privilege of knowing her personally,  
we were able to appreciate how special she was by the way you  
fondly spoke about her. Due to a critical family medical situaiton in  
Joan's family, we will not be able to attend the services on Saturday  
to express our condolences in person. We will include your mom  
and your family in our prayers. We know you will find comfort in the  
many memories that you have of your mom.*
