“ *Judy was the funniest and kindest person. As a young bride to be in the early eighties, Judy helped me immensely by opening her doors and showing me around NOLA.

“ Judy had a heart of gold. Always willing to help when she was able. She could be a pepper if she needed to, but she was genuinely a good person. She was a true joy to work with over the years. She will be missed. Charles, my prayers are with you and your family over your loss.

“ Judy you were the best coworker I could have ever asked for but most of all you were a great friend. You came to me when I needed you most. I wish we would have made more time to spend together but we had many fun times and many memories together. I Love you my friend and will miss you until we meet again. LOVE YOU,
