“ *I heard of the passing of Judy just yesterday. I met her in 1992 at SAME and we've been friends since then. Always a smile and an absolute pleasure to be around. I loved her Facebook post especially during football season. Rest In Peace my friend. I will never forget your kindness. Jimmy Chustz*

“ Oh Ms. Judy, I wish I could give you a big hug right now. Thank you for always looking out for me - my work mom. Your sweet, generous heart and team spirit were both contagious; I could always count on you to show up decked out in black and gold from head to toe. I know you will continue marching on with the Saints in heaven. My prayers go out to your friends and family.

“ Judy was such a caring person. She was also one of the luckiest people I’ve known. I so appreciated having lunch with her every so often and just catching up on the joys of her life. I will miss her sweet smile! I am so sorry that I will not be able to attend tomorrow but her loved ones have been in my prayers. Godspeed, Judy!

“ So many memories, my friend. You were a light that shined bright and you didn't realize you were loved by so many people!

My Who Dat sister, my "security detail", my catnip dealer, my information source on all things Saints, and supportive in so many different ways. You'll never be forgotten and will always be missed, but I know your light still shines. Thank you for the years of genuine friendship and for touching the lives of so many people.

Judy, you were a rare jewel that touched everyone. You never missed a day of saying "girl give me my ☐ hug", we need a new picture or simply just calling me. I'm holding on to all our hugs and memories. May the peace of your love forever be in my heart that will carry me from day to day until we see each other on the other side. To the family my condolences to you cause God has gained a beautiful angel 🕊️. Miss and love you my "JuJu:
