“ 🎂 Happy Birthday Aunt June 🎂 can't believe you are really gone, still seems so unreal. I just want you to come back., I just can't believe this, I never though this day would come, thought you would be here forever. Feels like a bad dream That I can't wake up from. Took me a while to actually write this, just couldn't find the words to say, I shouldn't be writing this, I wish I could say it all to your face. It's just not right, doesn't feel right at all. I will never forget all the goods times and the talks we had, and boy were there a lot, you pretty much always knew what to say to me when I needed advice about certain things, God I wish I could talk to you, well I could go on and on and on about so much but I'll stop for now. I wish we would have had more time together. I love ❤️ you! Rest In Peace till we meet again, love you!! Fly high

“ June had such a positive attitude and was always so friendly when she walked in the door. My law firm staff will certainly miss her smile and warm greeting whenever we had dealings. We will always remember her in such a warm way.

“ Throughout the many years that I have known June, she has been one of the most Beautiful and inspiring women that I have ever met. Her stamina and charisma was unbelievable. A true soldier, warrior and friend. Regions Bank has lost a great Employee. But our loss is heaven's gain. We will miss her but the Master has picked his beautiful flower and she is blossoming in a wonderful place of total peace and tranquility. We love you June but our Master loves you more. "Sweet Rest my friend"

“ I met June at work, she friended anyone she met immediately.. so kind and down to earth. Very spunky and fun! I worked with her about 3 years, then ran into her about a year ago at the mall when she told me about her illness... our talk in the mall that day she told me that she lived the most amazing life , she accepted what was, and she was ok with it because she lived every day making the most of her life ❤️ I left her that day from the mall thinking... a few things, first.. how brave and loving she is.. second, how can anyone accept that. What an amazing woman she was, RIP June ❤️
