“ David, I'm so sorry for you and your family's loss. I pray for God's peace and strength to get you, the boys and all your loved ones through this difficult time.

“ I learned of Karen's death today, and my heart aches for David, Karen's sons, and her parents. I was blessed to have Karen as my law clerk when she was in law school. She and David were clerks at the same time, and I like to think I helped contribute to their romance. Karen was smart, cheerful, hard-working, and pleasant to everyone. She was an asset to our office (EBR District Attorney's Office), and after her graduation from law school she distinguished herself as an attorney. She died too young, but she definitely left her mark on all who came into touch with her. She was a blessing! Hugs to all.

“ I met Karen through the Health Steward site back in 2005. Met her face to face at a few Health Steward gatherings in Florida and Tybee Island, Ga. She was a person that was full of life. I admired that in her. She was also very sweet, caring and would help out anyone! My heart goes out to her family and they are in my thoughts and prayers at this very difficult time. Our hearts are heavy at this untimely loss but Heaven is so blessed to have her. Till we meet again Karen...you will be missed on this earth by many!! <3

“ I only actually met Karen once, on Tybee Island, several years ago, at a Health Stewards Gathering. However, we communicated within the HS forum for several years... My heart goes out to the family for your sudden loss, and grieve with you, remembering Karen as a kind, caring person, determined to live life with an intensity that was as unique as it was motivating and inspiring to so many of us! -

“ Please accept my sincere condolences for your loss. Death is the enemy of all mankind, yet when it touches us personally, it is at times difficult to receive the comfort we search for. In times like these I know I can find comfort in God's word. In John 5:28,29 He tells us " Do not be amazed at this, for the hour is coming in which all those in the memorial tombs will hear his voice and come out." As the God and Father of tender mercies, He wants you to find comfort in Him through prayer (2 Cor 1:3).

“ I remember back in 90's when our Coed soccer league needed a new registrar and Karen volunteered. That was who she was, always willing to lend a hand to others, especially to help put a smile on someone else's face.

I remember our weekly practices, heck twice a week, always smiling a such a good sport. Class on and off the field. I'm glad to have called her friend and teammate.

Prayers for Karen, David the boys and all those who mourn her loss.

“ To the entire Godail Family, I was so shocked and saddened to hear of Karen's passing. She was such an incredible beautiful person inside and out. We will all miss her terribly. God must have a needed an angel who was kind, beautiful, and strong. I am thankful to God that I had the pleasure of growing up with her and calling her my dear friend. You are all in my thoughts and prayers. With Love,
