“ All I can say is I Admired my sister for her work ethics and raising three children practically on her own! Besides being a Pharmacy Tech. I remembered one job she really liked alot and that was a Welder for the Avondale Ship Yard Yep Her my sister Gail and my Sister-in-law Debbie. It was temporary but man they made great money back then and they rocked that job! Shes not dead shes alive on the other side hanging with the best! My tears will never wash away my sisters memories she is bonded with me for life I only wish God didn't call her home so early! Her baby sister 😞
