“ *Just found out about Karen's passing. So sad to hear this. She and I worked together, across a cube wall from each other, at ASI. She was a kind and big-hearted friend and co-worker. After leaving ASI, I enjoyed our chance encounters at Breaux Mart, where we could catch up on what was going on at the credit union and in our lives. I remember she made the best, most creamy grits. My condolences to her husband and family.*

“ *2017 was not great for the Stoulig family, God has His plans. Now Karen can be with her mom, dad, brothers and uncle. I am sure they met her at the Gates. My heart goes out to you Jeanne' and your family. Be strong, take things day by day, but never take them for granted. I will always be there for you.*

“ *My condolences to Karen's family. I worked with Karen many years ago at the credit union. Karen was always a very sweet and kind person to me and anyone she was around. Although I am saddened that she is gone, I am thankful that I was blessed to have known her gentleness.*
