“ Kathy was my Sister and my friend I knew her for many years, she even attended my wedding some 30 years ago, I met this sister through her son Mark and my husband John who roomed together on Thrush Street at a home filled with Christian young men. attended our wedding she is even in our photo album. Over 11 years ago Kathy and I reconnected when I was home carrying for my mother for six months. That Sister Blessed me so, she would visit with me at the nursing home to see my mama and when my mom came home she accompanied me to her appointments even told me some things I would need as my mom was an amputee. Look, she was my Holy Ghost Road Dawg. We would minister together visit folks in the hospital and our favorite thing eating out and boy could this sister find the best places to eat. She loved Jesus so much you would feel it oozing from her spirit. We were like to kid's together laughing and talking about Jesus. I am Jealous girl you sitting with King. She said to me all these years and we never spent time together and we got so much in common I said I know, that was an amazing six months Kathy and I had we were inseparable. All I can say it was a “PRIVILEGE” to call your Mother Mark, Donna and Nicky Sister and Friend. I encourage you three and all her grandchildren to keep your hearts fixed on Jesus such great rewards come when we do. I am praying for you all. All my Love Shelita

“ Beth, Betty, Marlene and Kathy on Friday evening would get together at Betty's house to pray for everyone's needs and we would have dinner after and great conversation. I miss sitting with her in church. Marlene
