“ To my cousin, Kathy. I know you were closer to my sister Barbara, but you were around so much because of that you were like a little sister to me also. I know you and Barbara used to get on my nerves a lot and my sister was the instigator. I remember when my parents take us on vacation they would let us bring someone with us. And Barbara used to ask you to go with us most of the time. It's hard to believe that those trips were over 60 years ago. Rest in peace. Love you.
