“ *Kathy there is not a day that goes by that I don't miss you. I miss your walking with me to and from the mail box and car. You always had extremely kind words to say to me. I will never forget you my friend. There are not many people who are like you. My heart is shattered at the very thought of not seeing you ever again for now. But one day we will meet again. Se you after while crocodile!*

*Kathy I'm so so glad for our 2 hour FaceTime on Valentine's Day. It was so much fun to laugh and cut up with you and reminisce about the good ole days. I love you like a sister girl. I will miss you so much, glad you are no longer in pain baby. I know I have a bunch of Angels watching over me.*
