“ We are heartbroken at the loss of our dear neighbor, friend and, for my mother, adoptive "son". Keith was a hard working man whose joy was his family and fishing. Unlike many who use their hobby as "time alone", Keith shared his passion for fishing with his family and friends, creating a strong bond of fellowship and family. That bond will be so important to June, Amanda and Nicolas as they face these difficult times.

Keith tackled his challenges as he lived: with pride, strength and dignity. He had a heart of gold and would do anything to help.

Whenever my mother didn't know what to do, she'd always say that she'd ask Keith. Keith was an early riser, and at least twice a week, we'd back out from our driveways at the same time, waving through the rear view mirrors as I'd head off to town and he typically headed west.

To say that we will miss him does not begin to express our feelings. We extend our love and commitment to support June, Amanda and Nicolas in their grief.

“ I remember working in construction with Keith for years. I would pick him up early in the morning, got to work and work all day, then drop him off in the evening. We talked about everything under the sun, he had a positive outlook on everything. Small in stature, but huge in spirit.. had the loudest voice I've ever heard.

There was nothing he couldn't do and he would outwork men 3 times his size. We laughingly called him Scrappy.. because he didn't back away from anything or anyone... he boldly and proudly stood his ground.

I never met someone who loved fishing the way he did... It didn't matter what time or what day, he was off to fish in a second. Smiling ear to ear!

He loved his kids, his family, his friends, his music, his house, his boat and his life.

But , Above all, Keith loved his dear wife June. He spoke of her quite often, and always in a powerful loving manner.

He will be missed.

Happy Fishing Keith, hope to catch up with you one day ❤️
