

Kenneth Jay Bolton

May 10, 1943 - February 15, 2014

Kenneth Jay Bolton, 70, passed away in the presence of his heavenly father on Saturday, February 15, 2014. He was the beloved and devoted husband of Annette Bolton, whom Ken cherished and adored everyday. Ken leaves behind to cherish his humble godly life: his daughters Jennifer Bolton and her children Marty, Michaela, Marnay, and Colton and Tina Helge-Smith and her children Megan and Ashlyn, as well as his stepdaughter, Robin Bone (Mark) and their children Benjamin and Lauren. Ken is the son of the late Andrew and Lottie Bell Bolton. Brother of Carol Koon(Greg), Wayne Bolton and the late Eileene Leonard. He also leaves behind numerous nieces, nephews and cousins whom he loved. Ken also leaves behind many amazing friendships made over the years. If Ken called you a friend, you were his brother/sister for life. Ken cherished life, the people in his life and dearly loved his family. He loved riding on his motorcycle and had a big heart for any animal that crossed his path.

Ken had many talents and faces of himself. He served in the US Army from 1961-1967, was a deputy for the Escambia County Sheriff's Department in Pensacola, FL, served as a City Councilman in Atmore, AL, and worked in the oil business for many years as a consultant. Although he had many duties, he always felt his greatest call of duty that he loved more than any other, was being a loving grandfather. This was always apparent by the sparkle in his blue eyes when he was with or spoke of them. Ken was a member of Williams Blvd Baptist Church, where he loved and served God.

Relatives and friends are invited to attend the Memorial Service at Williams Blvd. Baptist Church, 3000 Williams Blvd, Kenner, LA 70065 on Wednesday, February 19, 2014 at 12 noon. Visitation will begin at 10:30 a.m. until noon. Following the service friends and family are invited to attend a fellowship luncheon in the fellowship hall of the church. The family wishes to extend their heartfelt thanks to the physicians and staff of Fairway Medical Center as well as the Louisiana Heart Hospital for their compassionate and dedicated medical care extended to Ken. Finally, a special thank you to Philip Stonecipher for being the families' spiritual rock and to all our friends and family who have sent much appreciated prayers and support. In lieu of flowers, please donate to the Special needs Ministry at Williams Blvd. Baptist Church (504) 443-2363. This was a ministry that Ken enjoyed and cherished dearly.

“ *Your Great Grands you never got to see because that evil woman you were with, her daughter Robin Bone, and husband Mark Bone along with Jefferson Parish Coroner's office. Not sure how that woman can sleep at night so evil. Kept you away from us most our life, then killed you, never got to see your Grands! Her daughter Robin Bone performed an illegal surgery (MEDICAL MALPRACTICE!) Evil money hungry daughter of Annettes that you paid her medical school in FULL, while her ho Mother was out spending my Papas money!*

“ *That classless piece of trash he was with (ANETTE) that kept him away from us most our life killed him with her daughter Robin Bone and husband Mark Bone (medical examiner for jefferson Parish Coroner's office) pulled strings to have it covered up with no autopsy and had him cremated. She called us from his phone AFTER he died the morbid evil woman, sending us his ashes in a zip loc baggie with a picture of MY Dad and her -yuck. She wanted his money. He paid for her daughter's medical school cash, and they spent all my Papa's money. We will get justice, they will not get away with what they have done. Robin committed medical malpractice and performed an illegal surgery and they all covered it up.*

“ I'm too upset, but NO. He is Not a hero. All he had to do was leave me and my sister with our mother. He kidnapped us when I was 7, my sister 10. Because my mother was leaving him. She didn't know where we were for over 2 years. We were homeless and half starved, begging neighbors for food. The damage you did is not repairable. We will never be the same and I look very forward to meeting him in the afterlife.

“ My name is Angel, I am one of Jehovah's Witnesses. Loss of a loved one can be painful to endure, but the bible can offer us comfort in our time of grief. John 5:28,29 tells us of a real hope of being reunited with our loved ones we have loss in death. We look forward to the time when we are reunited with our loved ones, just as Jehovah has promised. If you would like to know more about what the bible teaches, Please contact your local Kingdom Hall for free bible study. Your family is in my thoughts and prayers during this difficult time.

“ Ken was a wonderful, friendly and caring neighbor. His offering of help to us during a time of severe illness will always be remembered as a genuine demonstration of true generosity. We will miss his presence, but recognize he has joined his heavenly father for another journey - on or off a motorcycle. Prayers will continue for Ken, Annette and his family during this difficult time.
