“ *My name is Stormy Morgan Sides. I am Kenneth Lee Morgan Jr's daughter. My father was a kind hearted, loving man. I wanted to share my favorite memory of my dad. He would now the grass with a push mower, and beginning at three years old I would walk up and down each row following him. I followed my dad everywhere, so you would know my excitement when my dad bought me a toy push mower to follow him with. I love you, Dad. I'll follow you forever.*
