Mr. Seemann spent most of his life in New Orleans. He graduated from Tulane University with a degree in electrical engineering and worked as a registered electrical engineer at Hughes Aircraft in Southern California, Boeing New Orleans, and retired from the US Geological Survey. He was a member of the Air National Guard while attending college and specialized in repairing airplane radios. During his off-time he enjoyed spending time at his farm in Lacombe, playing chess, listening to music, and singing! His caregivers were known to sing-a-long with him!
