“ *Kevin was a very lucky fellow to have a very loving family to take care of him. He always looked like he was enjoying life. I know his family here on earth will miss his smile and that his parents will take care of him in the next after life.  
RIP!*

*The way you all took care of each other is nothing short of inspirational. Kevin will surely be missed but can now fly high with the angels, free of all his ailments. We love you both Keith & Karen and here if you need us.*
