“ My deepest condolences go out to the entire Vicknair family. I think about you every time I visit St. Rose, although I haven't seen any of you in years. I have many warm memories of the fun times I shared with all of you when I watched over you when Mrs. Theresa needed a babysitter. I had a special bond with Kevin which I have never forgotten and will always hold close to my heart. I will keep all of you in my prayers.

Theresa, George, Devin, Travis, Michelle, Sharon . My deepest sympathy go out to all of you on the loss of this special, lovable, kindheart, gentle man. I will never forget when he came down the street to see Troy! He would always come in and spend some time talking to me! I would be busy with something, and turn around and there he was! With this huge smile on his face that would melt my heart. I know that god has a very special angel in heaven! His name is Kevin and he is riding is bike! Singing along with his Elvis music. Going about the day stopping and talking to everyone. I can't imagine your loss but when you think of him and the sweet special person he was! I know that you all will smile. I am so thankful to have know him.
