“ *Looking back when Janice and I were young women, the lovely image and gracious impression of Mrs. Cancienne is still strong: the twinkling bright blue eyes; the sweet beaming smile that cherished and took the world in; the honey gold locks that framed a face and heart of love. She appeared as an angel then and soars as an angel now. Her Faith, humility, and perseverance propelled her wings upward into the hands of God. Her journey of love and light feeds inspired hearts locked in an eternal dance onward to join her.*
