“ *In the Old Testament, there was a valley of dried bones, God put tendons, ligaments, muscles, etc.... Then he had breathed life into them. Nobody knows how long the valley was there, but God chose to do this, in the New Testament came Lazarus, whom had been risen from the dead. Jesus chose to do this. Jesus allowed his Mother Mary and earthly father to Rest In Peace. His parents knew he was/is the Messiah. Birthday's weren't an issue anymore, it was/is Eternal Life. God chose 07-04-1960 for your earthly birth. Through Baptism, you had a Heavenly birth. You were born again by Holy Water and The Priestly Blessing. I Miss and Love You. Stephanie Aymami.*

“ Larry "Barry" Joseph Capitano, tomorrow would have been your 57th birthday. God knew you in your mother's womb. God knew your last birthday on earth. Because of sin in the world, we are only here temporary. I will always remember your birthday, July 4th. God was ready for you, and Jesus took your life because you belong to Him. Hallelujah. Jesus carries our cross when we can't because He is the Lamb of God. Jesus is the Light, you will never live in darkness. He is a merciful God. Jesus loves you so much, he had total control and chose you not just as an earthly angel but a heavenly angel. Jesus takes us away from pain, suffering and evil. Amen.
