“ In behalf of Louisiana State Society of American Medical Technologists (LSSAMT), we extend our condolences and prayers to Mrs Karen Brockelsby, Michael Brockelsby, Steven Brockelsby, family, relatives and friends. Mr. Leon was one of the pillars behind the scene who contributed to the success of our State Society. He supported Mrs. Karen, our Treasurer to attend our National, Scientific and Board Meetings and he shared his talent i.e. manipulating the projector during our Scientific Presentations. Thank you Mr. Leon, you will be sorely missed. God bless 🙏❤️

“ *A man of Integrity is hard to find today. Leon was that man. He was a man of principles and he stood by and lived by those principles. Some would say he was too rigid and unyielding and sometimes he took stands that made him seem too strict. But, there was a compassionate side to Leon that few saw. I saw it and was deeply gratified and I knew Leon from both worshipping and working beside him and Karen. And, he taught me a lot about what a man of integrity should look like and I will be forever grateful to both Leon and Karen for teaching me what faithfulness to our Lord and Savior, Jesus Christ, should look like.*
