“ *My baby brother Leon, I miss you so much, I don't know how my heart can repair through the loss of you, but I will and I will help Louis through this also. Please look don't on us from heaven and be our guardian angel to help us get through the worst thing we have ever been through. Bye my Baby and I love you so.*

“ So sorry to learn about Leon's death! Although many years have passed since I have seen Leon and the family, I still have many delightful memories of all of you. Your mom and dad were very special to me, as we're all of you. I remember so well how you all would come to my classroom after school to see if I needed some help. I also remember that you invited me to that party at the Lion's Club after so any years had passed. I am sure that Leon is in heaven with your mom and dad. You are all very special to me! I wish that I could be there with you, but I now live in Gonzales and it is very difficult to come in. Please know that my heart and prayers are with you all.

“ So sorry Debbie and I have been out of touch for so long and saddened by the sudden passing of sweet Leon. We will always remember his humor and fondness for Star Trek, Batman and so many other characters. We will also always remember his fondness for Little Debbie cakes!! Please be assured that Leon is walking the streets of gold with Jesus and his beloved Mother and Father now. He was a light in this dark world and we will remember him with love.

*Louis,
Can't tell you how sorry I feel for you and your family. I know you loved your brother very much and no one can ever take that from you. It was a pleasure to meet Leon and have dinner with him; he had a special kindness to him that you could instantly pick up on. Remember we are with you in our thoughts and prayers.*
