“ I miss you so much already. I'm gonna miss that contagious smile, your funny humor, your crazy dances, there was never a dull moment when you were around. The life of the party. You never met a stranger. You touched so many people, even people who have know you for only a few months. You and mom were always there when when I needed yall. Brought me to my dr appts, and you even wanted yo come see me in the hospital when you yourself was sick. You are the best dad ever. You were also an amazing/funny pawpaw to your 15 grandkids & 14 great grandkids. Even tho the great grandkids haven't had as much time with you, they really miss their pawpaw. The few jokes that I remember as a child, then remembered by your grandkids and great grandkids were when you would take off your thumb and throw it away. And blowing your belly up and popping it back in place with your thumb in your mouth. There are so many memories. It would take days to list them. I know we can't keep you here with us. but I can only imagine the party up in Heaven when my daddy arrived! I miss you and love you so much Daddy. Love. Tiffy

“ Our heart and soul is broken and the pain is so real, but your soul has been raised and your body is now healed.
We knew this day would come and we would have to part, just know our love for you will always be the beat in our heart.
Your that one special man that no one will ever forget, your contagious laugh, that smile, your pranks and jokes were your gift!
As we say goodbye, we know it's only temporary, but you did not buy that condo for nothing, it is where your body will rest until it meets your soul in heaven.

WE LOVE YOU DADDY ALWAYS AND FOREVER!

“ Of course my memories go to all the times we went off together and he was always our Chauffeur. We would joke and say he was one of us girls. He always had a way to make you laugh. He was one of a kind and will be sorely missed .He and Darnell always made you feel welcome.
