MRS. Knipple was an eye Dr. In her home country in the Phillipines I think. We were friends and she was a devout woman of faith. She not only had faith in God but faith in those around her. She would approached me every Sunday after church to pray for her prayer list. We laid hands together on that physical list and prayed together many times. We have been out of touch for a long time but the impact she had on me was great. She strengthened my prayer life immensely. Heaven has gained an humble precious loving soul.
