I love this picture, Nancy! Y'all both look so happy and pretty. I know how much your mom loved Mardi Gras time.

“ Leslie & Nancy,

We were shocked when we read the paper this Sunday Morning. Our deepest and most heart warming condolences.

Your mother was the most loviing, caring, giving, thoughtful and beautiful person we have ever met. She & Joe gave of themselves to everyone. Even though sometimes she was not thanked enough, she continued to give on and on.

Our only regret was that we did not see and talk with her before she met her maker.

Leslie is now at peace and she can attend all the carnival balls in her new kingdom and look even more radiantly than ever before.

We will miss her dearly but she will always be in our thoughts and prayers.

God Bless,

“ *My aunt had a love for the arts and it reflected in the beautiful pieces that she created. I don't think that's there's anyone in the family who doesn't have a piece of her art. They are cherished like a prized artifact. Aunt Leslie had the prettiest smile and warm laughter.*

My sincerest sympathies to Nancy and Leslie. I know how you feel. My mom did not pass away not quite a year ago..

Aunt Leslie will be greatly missed and she was so loved by all. With all my love I wish you strength and comfort in knowing that her passing was a quiet and peaceful journey that she's on.

We will all be there together one day.

Love your cousin,

Dagmar Guzman-McLean
