“ *Our thoughts and prayers are with yall at this time. Aunt Lillian was very special to all of us and we have many fond memories of Easters in the country together and just sitting around the table talking and Aunt Lillian always had something to share. Of course there was a lot of laughter as well.*

“ *Dear Best Friend,*

I will miss you so much. I will miss our long phone calls and sharing stories about each others families. I know we will be together again in Heaven. I know you were my sister, but I also considered you my best friend. We truly developed a lasting bond in our earlier years that lasted a lifetime. We have so many special memories that we will share again some day. Your family is in my thoughts and prayers at this time.

Sister and best friend, Gladys Allcorn
