“ My sweet Sister, I'm having a real hard time wrapping my mind around the fact that I will never hear your voice again. You were my voice of reason, my person. My heart hurts. I love you so very much. I know everyone was excited to see you, but my son I'm sure gave you a big hug. Please save a place for me. Until then fly high my Sissy, just not over water because you might get seasick. ❤️

“ So sorry for the family. We were raised on a gravel road in the country farming. Had a lot of fun playing games. On the bus, if you did one of the cousins wrong you were faced with a little Army. We stuck together.
